

Crimson Clan

General / community-quests

Create quests here. One quest per person (and once a day), must follow the same format as #quests. Only LV.15 and up can post requests.

Not really the right channel, but no other available channels so whatever:

Can anyone here identify the author of the Blank Box Shulker Kit?

It contains diamond armor with lore as seen in the picture below.

Would be greatly appreciated by the Archivists :)
